 2 + STUDY  2  2

The Ormond is the best of both worlds, with luxury and utility throughout the home. At the front of the home is a spacious living room, which flows into the open-plan kitchen and dining area. Fitted with stainless steel Bosch appliances and striking Caesarstone benchtops, the breakfast bar is ideal for enjoying casual meals, and the dining area opens out onto a private courtyard. Complete with a walk in pantry, this living area offers a delightful entertainment space or a peaceful haven to relax. The light-filled master bedroom with a generous WIR and ensuite enjoys direct access to the courtyard. With a second bedroom and bathroom, as well as a study and double garage, the Ormond really has it all.
