The Henderson home consists of an oversized double garage, three bedrooms, two bathrooms and a full-size laundry.

This Henderson home is complete with upgrades you would only dream of with heated flooring to entry, kitchen, dining room, laundry and bathrooms and to finish off with the touch of luxury with floor to ceiling tiles to ensuite.

Features in the kitchen include Smeg rangehood, Sieman induction cooktop and oven and a Bosch dishwasher. Other quality aspects are plantation shutters, ceiling fans to living area and each of the bedrooms.

To complete this home is your private tranquil back garden with a northwest orientation and comes fitted with a pergola and remote-control blinds, and a garden sprinkler system for the low maintenance enthusiast.
